Students must manually enter the number of units when registering online. Otherwise, the system will select the number of units. (1 unit = 25 minute lesson; 2 units = 50 minute lesson; MM degree candidates are the only students allowed to register for 3 units.)

See remaining directions in the list of courses listed above.

If a student plans to enroll in a chamber ensemble (MUSA 267/467/667), Improvisation Ensemble (MUSA 276/276/676), Popular Music Ensemble (MUSA 286/486) or Combo (MUSA 282/482/682), the course request form must have the applicable level and section clearly designated – do not leave it blank.

If it is listed on the course request form without the above information, you will NOT be authorized. Mary Ann needs permission to authorize you from the applicable faculty member.

See remaining directions in the list of courses listed above.

Obtain the course request form (forms are on the music website and a limited number are located in the Department of Music Office). Students and their applied teacher must fill out the forms completely.
