

# Fall Refund Dates & Policy

Students who drop a class after the official start of the class session will receive a refund of tuition and fees based on the percentage of the class session completed. The percentage of the refund is determined by the date of withdrawal from the class. The following table shows the refund percentages for each date of withdrawal from the class session.

Students who drop a class after the official start of the class session will receive a 100 percent refund of tuition and fees. If you choose to drop after the change of schedule period for the class session, the last date on which you withdraw online from a class determines the percentage of the refund. All refund percentages are based on the official start of the class session. Please see below for refund method.
